

Mid-America Regulatory Conference (MARC)

Save the Date

June 21-24, 2020 - Grand Rapids, MI

The Mid-America Regulatory Conference (MARC) holds an annual meeting, which is shaping up quite nicely. Michigan will serve as the host state for the 2020 conference. In addition to riveting panels and keynote speakers with a unique Michigan perspective on the energy arena, we will be offering three different tours that will showcase an engineering marvel located along Lake Michigan, an iconic data storage facility powered entirely by renewable energy, and LEED-certified buildings designed with the city's sustainability efforts in mind.

Please save the dates of **June 21-24, 2020** for the **MARC 2020 Grand Vision Conference** at the JW Marriott Hotel in Grand Rapids, Michigan. Details about the conference have been posted to the website at marc-conference.org and more information will be forthcoming in the next couple of months. You can also follow us on Twitter **@MARC2020GR**.

We hope you will consider **becoming a sponsor** for this annual conference that consists of 14 state public utility commissions. Support ranges from \$1,000-\$15,000. Attached are specifics on sponsorship levels and associated benefits. If you have any questions, feel free to contact us by email at marcannualmeeting@gmail.com.

Sincerely,

Dan Scripps, Michigan Commissioner, MARC President
Amy Rittenhouse, Michigan Commission Staff, MARC 2020 Coordinator
Norm Saari, MARC 2020 Fundraising Coordinator (517-290-0102 c)
